

Unified School District of Antigo Statement – February 2, 2012

John Lund, Principal at West and Pleasant View Elementary Schools and head coach of the Antigo High School Football Team, has resigned. His resignation follows a two-month administrative leave of absence.

Cindy Fischer will continue in the role as interim principal at both West and Pleasant View Elementary schools until the end of the school year. The search for a permanent replacement for the principal and coaching positions will begin shortly.

The investigation regarding the conduct of the other District employees on leave continues. Given the nature of the ongoing investigation, it would be inappropriate to comment further on personnel matters at this time.

The Unified School District of Antigo is committed to providing a safe environment conducive to learning for all of our students. Our goal is to remain focused on providing our students with an excellent education, each and every day.
